*As we unlock the doors to the future,
We begin our long journey,
Eager to start out own life,
Fulfilling our dreams and ambitions.*

*As we look at the long and
sometimes grueling path of life,
We are ready to undertake whatever
lies ahead for us,
Daring to achieve the most that we
can.*

*Looking towards the future,
We set high goals for ourselves,
And what a better time than the
present to begin to see that they
come true.
Learning from our past mistakes,
Now is the time to open the way into
the world and accomplish our
desires.*

*Commencement is not an end,
Rather a beginning to whole new
experiences,
For the road that lies ahead is ours,
And our future is what we choose to
make it.
Though the entrance into tomorrow
seems confusing and not clear at
times,*

*We must never lose that drive that
keeps us going and makes us
succeed.*

*Let us never forget the memorable
years at Hoover High,
Those three years that we all did a
lot of growing up,
And it is those years that have made
us into the adults that we are
today.*

*These precious times will forever be
vivid in our minds, as well as in
our hearts.*

*We will always remember cherished
moments with close friends,
And treasure the friendships that we
have made through the years.*

*Soon all of us will get ready to leave
the Cardinal nest, as have 51
preceding graduating classes.
During the graduation ceremony
when we change the sides of our
tassels,
Instantly, we turn from students to
alumni,
However, we will always remain
Cardinals,
And we are the ones who hold the
key to the future!*

*Hail, Herbert Hoover High
This is our song to thee
Long may our banners
Be crowned with victory.
We pledge our loyalty
And our sincerity
We will be true to thee,
Hail, Hoover High.*

Service spelled backwards comes out Ecivres. The Ecivres are a group of ten senior girls and ten senior boys picked after their junior year for outstanding service to Hoover and their community. Selling pep ribbons is not the only project Ecivres are busy with, but they are the only thing most people know about Ecivres. Canned food drives and other sales are not as exciting, but they are all services to people. Ecivres are there when they are needed!

The Ecivres would like to thank Mr. Yourczek and Ms. Pierce for their guidance throughout their service year.

EXCITING SKY-ROCKETING HALFTIME CEREMONIES!

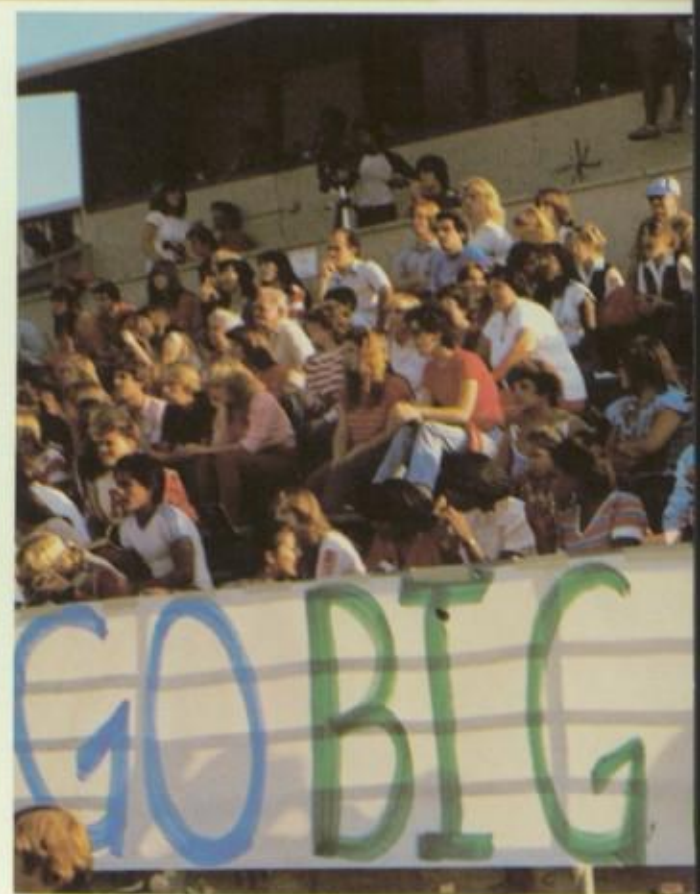

He came from the sky to crown our queen.

Halftime was more than just an intermission — it was packed with **EXCITEMENT!** There was no such thing as a dull moment. Dazzling Halftime Ceremonies kept the crowd enthralled. Cheerleaders started the bleachers roaring louder than ever before. Overhead, a parachutist releasing red and white smoke, jumped right in the middle of the football field with the names of the winners. "And the winners are ... Rich Lenhart and Laurie Steppat." After the crowning ceremony, there was a special tribute to Carol Simonides by her friends, which was a cherished moment. Everyone's time and dedication in making the Halftime Ceremonies work so smoothly should be commended for a job well done. When Halftime came to a climax, it felt proud to be a Hoover Cardinal!

AWESOME!!! That's what Homecoming was all about. Picture this! The stands filled to capacity, red and white flashing in the sunlight, wild enthusiasm rocked the crowd. You had to be there. The action began with Cassie Oliva, Commissioner of School Spirit, welcoming the enthusiastic crowd. Students, staff and alumni gave a big Cardinal welcome to bookie Clark, the Grand Marshall of the parade, as he was introduced by Dr. Sherr. Dynamic performances by the J.V. and Varsity Cheer made the crowd even more jubilant, but that was only the beginning. The Mock Homecoming Court and Cheer strutted their stuff to the tremendous applause of the Cardinal spirit in the stands. Alumni lookout — here came cheerleaders from previous years still proving that they have what it takes! Talking about spirit, the seniors were the victors of the Spirit Chain competition, followed by the sophomores and then the juniors. Alas, it was time for the announcement of the winning float. The junior float was the winner with 118 points, followed closely behind by the senior float with 114 points and then the sophomore float with 80 points. Things came to an end with the traditional singing of the Alma Mater. This was definitely a Homecoming Rally never to be forgotten!

- 1 — "We've Got Rhythm!"
- 2 — Well, what can you say?"
- 3 — Junior Mock Court — Karen Neynaber and Javier Lara.

1 — Mock Cheer show their spirit!
 2 — Bleachers filled to capacity.
 3 — "Let's clown around!"
 4 — Sophomore Mock Court — Diana Garcia and Eric Peterson.
 5 — Senior Mock Court — Debbie Baltazar and Mark Peterson.

"Homecoming" Time To Celebrate.

1 — "Bosom Buddies"

2 — "Let's Hear Everyone Cheer!"

3 — Bookie Clark expresses his love for Hoover.

4 — Hoover's Color guards.

1 — Banners enhance the school spirit.

2 — "Where's the parade?"

3 — "We Love You, Carol Simonides."

4 — "We got the beat, do you?"

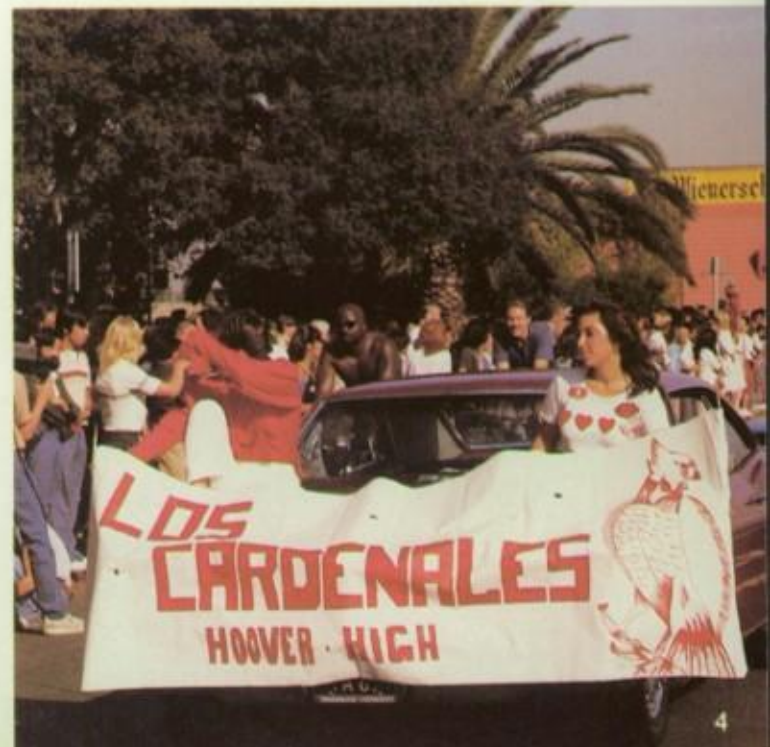

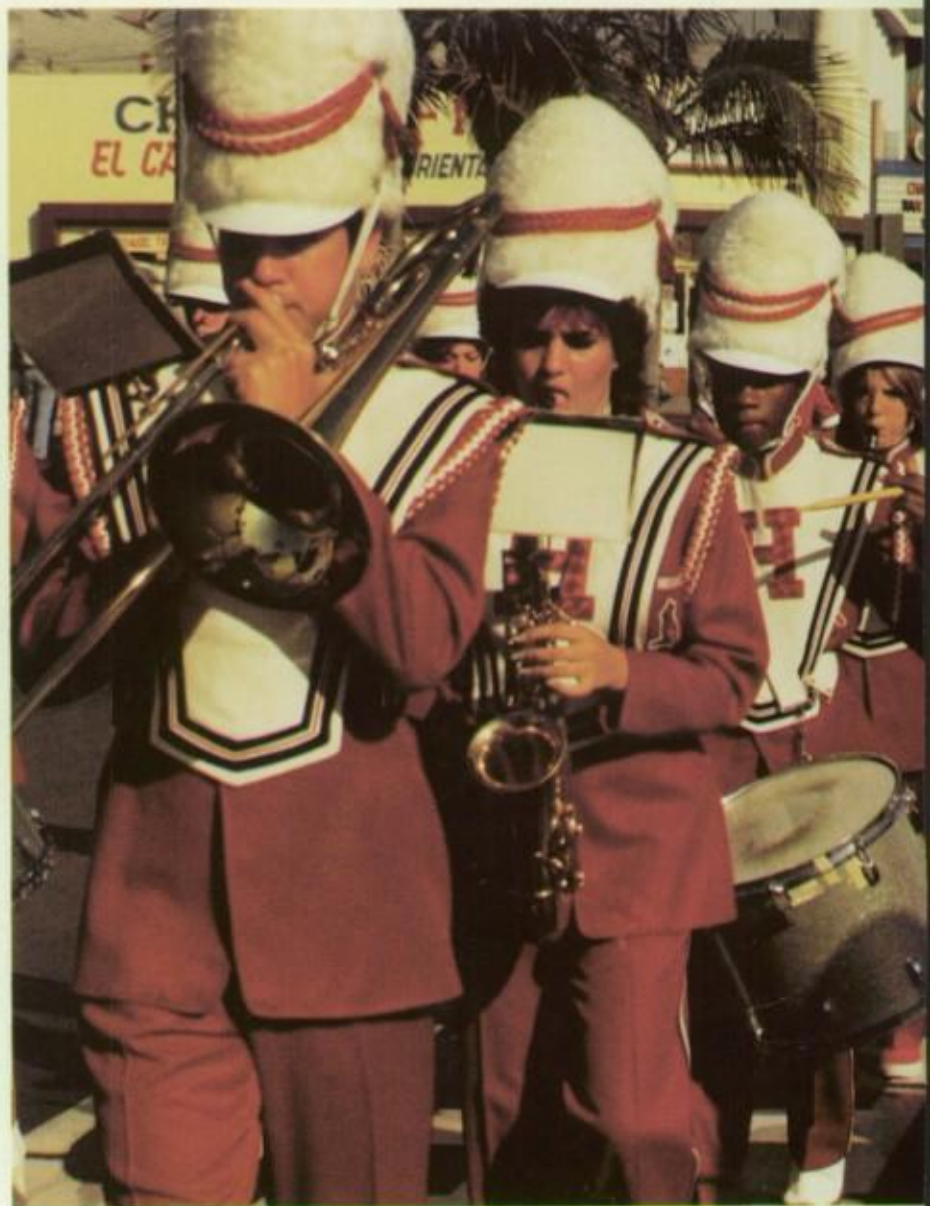

5 — Cool Mamacita-Cassie Oliva.

6 — "Let Us Entertain You."

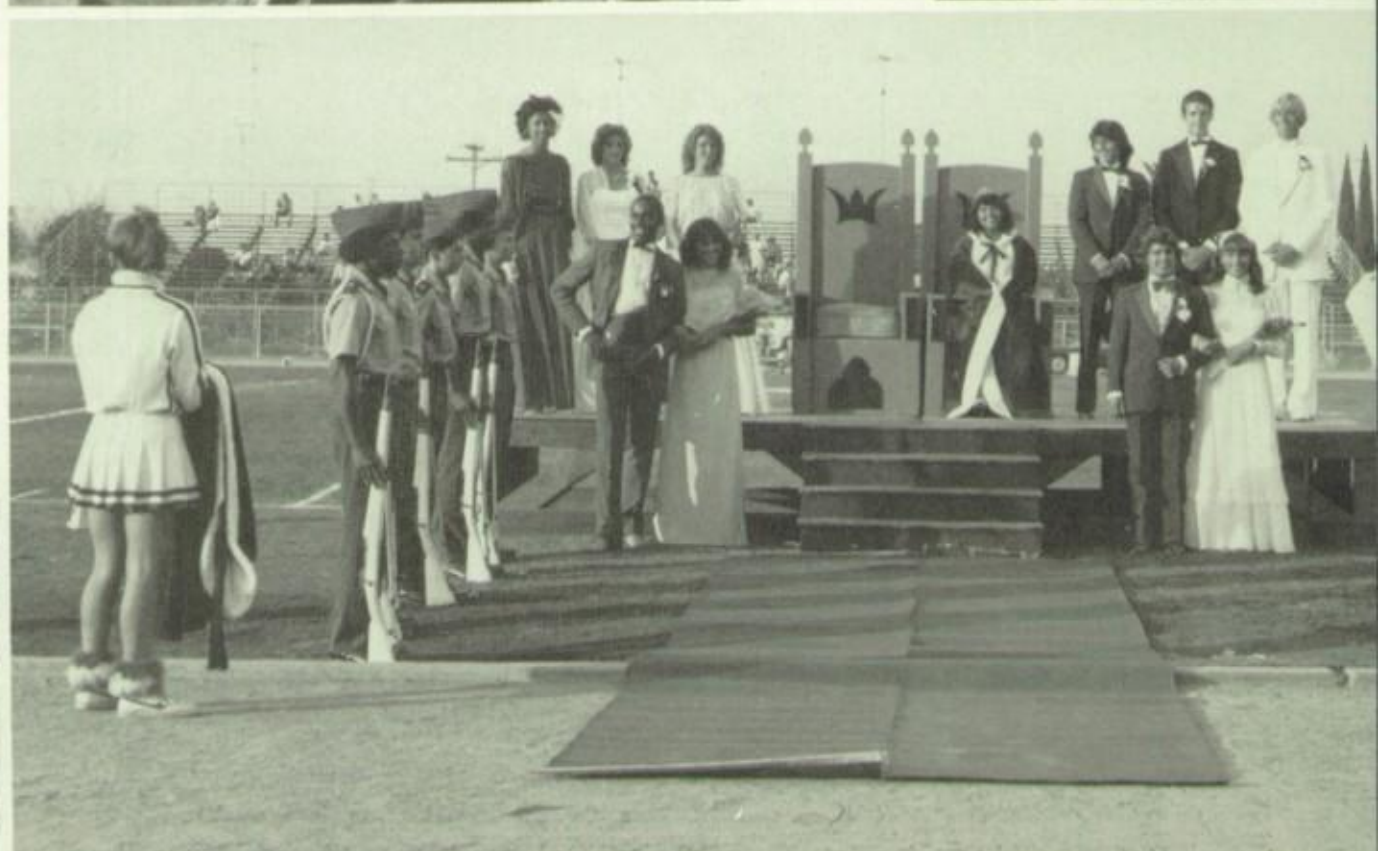

Let The Celebrating Begin!

Memorable, Entertaining, Inspirational, Vibrant, best describes the traditional Homecoming Parade, to say the least. The sidewalks of El Cajon Blvd. were full of anxious spectators awaiting to see the Mighty Cardinals show their pride and spirit. And proud and spirited they were! The Grand Marshall, Bookie Clark, led things off in a shiny Cardinal red convertible Corvette driven by Mrs. Lewis. The ROTC and the Hoover Band proudly marched down the street displaying their talent. A number of clubs and organizations decorated cars with red and white posters and banners, with a saying like "GO BIG RED!!!" They made sure they were a part of the festivities with their cheers and chants. Energetic clowns, dressed in vivid colors, added to the attractions. Varsity and J.V. Cheer, plus the Drill Team motivated the spectators with their enormous spirit. The Homecoming floats exhibited their superiority and hard-work, and the crowd's response was one of much applause and enjoyment. All the hard-work, effort and determination paid off with a parade filled with pleasant memories for everyone!

- 1 — Color guards doing their thing.
- 2 — "We're On The Road Again."
- 3 — "Hey You Cardinals!"
- 4 — Low riders or no riders.
- 5 — JROTC Queen and Attendants 1982-83
- 6 — "Go Big Red!"
- 7 — Follow the Leader.

So Close, Yet So Far!!

The Homecoming game of November 5, 1982 vs. the Conquistadors of Serra was certainly that. Looking at the way both the Cards and the Conquistadors went at it, you would think this was a championship game. The score says it all (35-33). The persistent Cards showed their determination by not giving up the battle easily. Excellent rushing by Devin Morgan and Leonard Davis kept the defense of the Conquistadors on their toes. A remarkable half back, Morgan gained 167 yards on 22 carries and scored touchdowns of 5, 2 and 4 yards. The Big Red Machine did not know what it meant to quit. This was obvious, for the game came down to a 2 point conversion. Definitely, the Conquistadors had their hands full. Despite their close defeat, it was evident that the Hoover Cardinals gave it their best shot.

In Memorium

Carol Simonides graduated from Hoover High in 1981, but her spirit and warmth will never be forgotten. A unique person, Carol captured the hearts of all who knew her. For all Carol did for Hoover, we would like to take this time to acknowledge just how special and dedicated she was. In December of 1976, doctors discovered cancer in Carol's leg. In the years to follow, she didn't give up hope for a happy, long life. Though times were tough at first, she kept on going with smiles and determination. She felt cheerleading for Hoover was one of the greatest privileges a student could obtain. She trained hard for cheerleading tryouts, trying her best to get every move perfect. She made J.V. and Varsity Mascot and was great. She was a terrific athlete besides. Carol strived for A's in school and worked hard to achieve them. She was in the hospital one week of every month and still achieved a 1.0 average. In the three years that Carol attended Hoover, she accomplished so much in so little time. She helped every year on the floats and ball decoration, was involved in A.S.B., and the list goes on and on. Carol was in the January 1981 issue of Seventeen magazine, also. Carol went through a lot of pain and tears throughout the past five years and in our book she survived it all. She was close to the Lord and proved it every day by treating people with the utmost kindness and respect. She was very opposed to drugs and drinking and tried talking to kids who used them. Carol had a certain atmosphere that drew people to her. She never gave up and always said she'd keep trying. She had charisma and a certain charm about her that won't be captured in another person for a long time to come. Carol passed away on July 29, 1982, but will be remembered always.

Our Principal

Dr. Leonard Sherr

Graduating Class of 1983:

As you seek your personal ambitions, take into account your talents, your tastes, your aspirations, your hopes, the demands of the business, professional or scientific career you wish to pursue, and then move toward perfecting your ability to meet those goals.

As others in the past, you too, will contribute to the leadership of this community and will receive recognition in all walks of life and be proud to be called a Cardinal.

No matter what happens in the years to come, you will have one thing in common: you are the class of '83. Thanks for leaving us so many memorable moments.

Congratulations and good luck!

Mr. Lyle Davis

Graduating Class of 1983:

Live for tomorrow. Consider yesterday's failure and triumphs only in the light of today and the days to come. Learn to recognize your limitations. Do not spend time in remorse and regret only in so far as it will discipline you for the tasks of tomorrow.

What you do and accomplish in your tomorrows is much more important than what you have done with your yesterdays.

My best wishes go with you and may you make the most of all future opportunities to do good in the world.

Lyle Davis

Mid-term graduates are senior students wishing to graduate in January instead of June. However, not all students are allowed to do so. Students who wish to graduate early must complete their class requirements. To do this they must attend summer sessions and adult school. This year, the mid-term grads were celebrated by a reception given in their honor. All the grads are invited to come back and attend all senior activities. They are also welcome to come back to the graduation ceremony in June to join the rest of the senior class.

1. Dr. Sherr gives a farewell speech to the mid-term grads. 2. Sonia Garcia receives documents from Monique Faison. 3. Sandy Burnett sings, "Starting Here, Starting Now". 4. Jay Poland is acknowledged by Monique. 5. Amy Grisby receives flowers. 6. Mr. Lyle Davis gives his farewell speech to the grads. 7. Andrea Terry sings, "The Way We Were". 8. "Ah, Shucks!"

This year's ASB consisted of twenty-one determined and energetic students. They worked hard to promote school spirit by having regular activities, such as rallies and lunchtime activities. A big emphasis was in getting the campus involved and proud of Hoover High. Some major activities which made this possible were Homecoming, 50's and Brotherhood Week and the Sweethearts Ball at the Town and Country Convention Center. The ASB Cabinet had many new ideas, which led to successful activities. For instance, the ASB participated in the Voter Turn-On Campaign and Hoover was named the winner of its zone and was rewarded \$8,000 and a trophy. Also, they had their first Swap Meet on the football field and managed the student store. With successful activities like these, they were able to help the campus in many ways, one of which was the purchase of a new PA system. Additional projects that the ASB took part in were Campus Beautiful and an Energy Conservation Program. With the assistance of Mr. Robert Graeff, ASB Advisor, this year's ASB indeed accomplished a great deal for Hoover High and for the community.

The Senate meetings, which took place monthly during fifth period, were a good opportunity to get feedback of students' opinions and ideas and to introduce up-and-coming events to them. One Senator from each class attended the meetings and reported the ideas of their class. This was also a good time to discuss events that had happened and to hear the Senators' opinions of how they turned out. Some areas which they looked into were the possibility of having lights on the football field, seeing if something could be done about the dirt parking lot and to organize a committee to be in charge of cleaning up the campus. The Senators would then report back to their classes with the information discussed.

Boy's And Girl's State Representatives

Jim Gilchrist, Stephanie Cromley, Bart Chafe and Rich Lenhart.

Jim Gilchrist

I was very honored to represent Hoover this past summer at California Boy's State. It gave me an opportunity to learn the functions of our local and state governments, and to understand them better. I am very grateful to have had this experience. It was also a great opportunity to make many new friends from all over California. I would like to thank the American Legion Post 201 for sponsoring me and for a very memorable experience.

Stephanie Cromley

Being selected to Girl's State was a great honor. Not only did I have a great time, but I also learned the importance of participation in government. I'd like to thank the American Legion for providing me with this opportunity to learn and to meet so many other people who had similar experiences in school and were willing to share them.

Inaugurated in 1937, the Boy's and Girl's State is an organization set up to prepare today's youth to become good citizens. A program of practical Americanism, the representatives take part in a course of practical civics. The representatives selected are sponsored by civic organizations and are given the opportunity to learn about the operation of our governmental system. Today, the Boy's and Girl's State is an established part of the Americanism program of the American Legion.

Bart Chafe

Boy's State was one of the greatest experiences of my high school career. I learned a lot about how our state government and courts work. The main idea behind Boy's State is to learn by doing. It's a great system and it's easy to learn. The friends I made at Boy's State will be friends for a long time, and I look forward to seeing them soon. I would like to thank the American Legion Post 201 for giving me the chance to take part in this program, and say the knowledge gained during this week will remain with me for life.

Rich Lenhart

Boy's State was a very wonderful experience that I will never forget. I would like to thank the administration of Hoover and the kind people of Post 201 for giving me the opportunity to learn more about my local and state governments and at the same time learn more about the laws of the State of California. What I learned at Boy's State was very inspirational and very important to me. But the most important thing of all was that I met many life long friends from all over the state.

50's Week

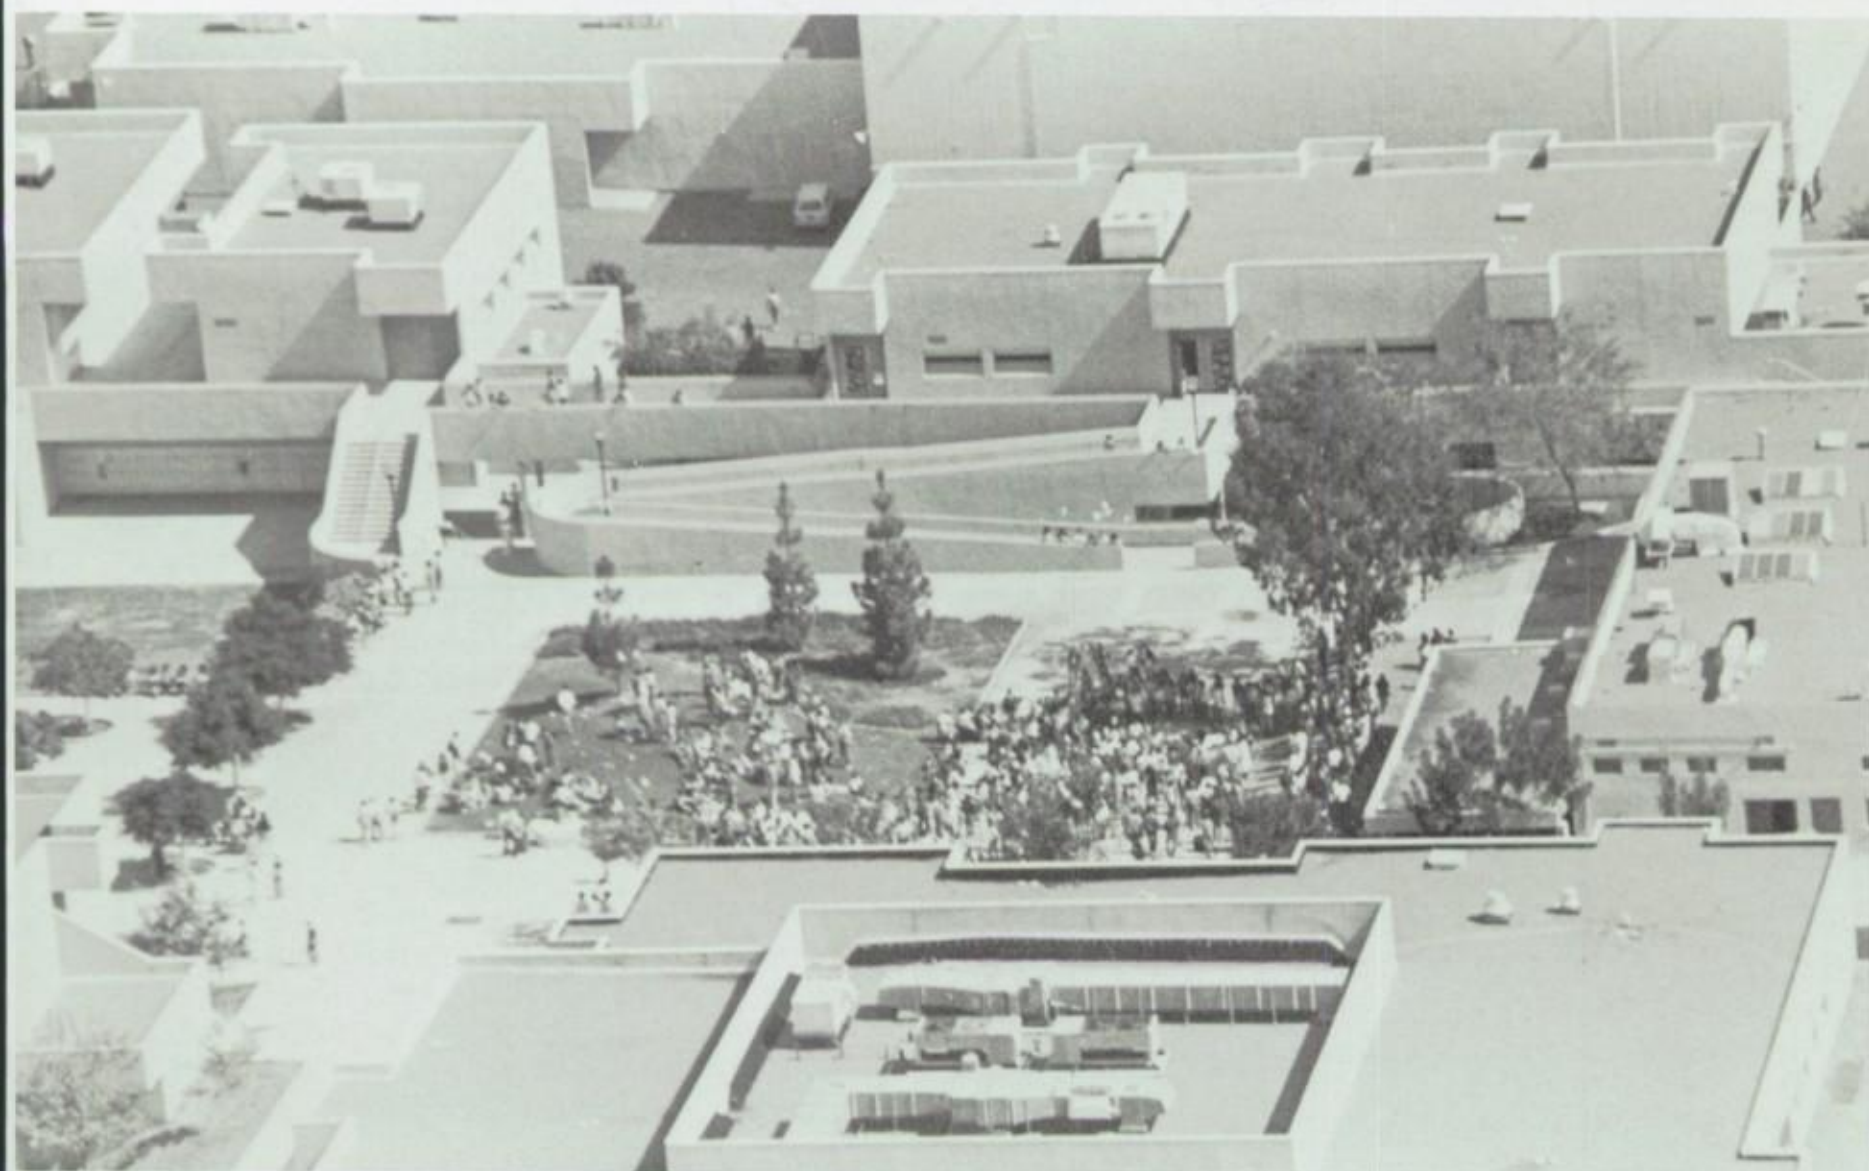

The week of October 4th brought back the sights and sounds of the ever-so-popular fifties. Campus life was turned back three decades with the feeling of the golden oldies. With poodle skirts, cuffed jeans, leather jackets and letterman sweaters, beboppers showed their liveliness! The Cardinal Choir's performance of fifties hits caught the attention of many in the lunch quad. Class competitions included the mouthing contest, a Limbo competition and goldfish swallowing. The rally in the Big Gym was filled to its entirety with fifties spirit! Finally, what a better way to end a spectacular week than with a great Sock Hop!!!

The yearbook photographers wish to thank our pilot, Eric Michelson, for a very scenic flight, so we could obtain these aerial photographs.

*Mr. Robert Graeff
Choir Director*

A motivated group, the Cardinal Choir of 1982-83 enhanced many events with their enormous talent. They practiced each morning and participated in a number of on-campus activities. For example, they sang fifties tunes out in the lunch quad during fifties week, had a Winter Holiday Concert, a Spring Concert, performed at Commencement and the list goes on and on. One major on-campus performance was their collaboration with the Drama department in the musical play "Scrooge", which received rave reviews from all who attended. In addition to their participation on-campus, the Cardinal Choir also performed in several off-campus Winter Holiday Concerts, city, county and out-of-town festivals and solo festivals. Furthermore, they had fundraisers, which included a candle and a calendar/poster sale. The extra time spent by each of these students was well worth it, for their numerous performances this year demonstrated their tremendous ability.

The team made vast improvements in basic skills needed to play football. They learned discipline and fair play. The young men learned never to quit and this is important as they continue their participation at the Varsity level.

The Highlight of the season was a 14-6 victory over Christian High School being the only win of the season.

Season Record: 7 wins
 10 Losses

This year's 1982-83 Varsity Volleyball Team had a rough season. The competition was aggressive, but the Cardinals put up a tough fight. The Cards tied for second place with Our Lady of Peace in the Central League and went on to play O.L.P. again to determine which team would go to the C.I.F. play-offs. The team played well, but lost 3 games; the scores being 16-4, 12-15, 12-15.

Tammy Spounias made the All Central League first team, while Patty Rios and Meridith Lally, who also received most valuable player awards, made the second team. All Central League honorable mentions were Paula Perry and Andrea Terry.

All in all the Varsity team did better than most of the other teams expected them to do.

Concentration is the key.

Setting up for the block.

The 1982-1983 Junior Varsity Volleyball team was a combination of experienced players and those who came out for the first time. They had an up and down season, playing well at times and having trouble at others — but always making progress.

A high point for the team was beating the Crawford Colts on their own territory! The teams most inspirational player award went to their captain, Cassie Oliva. Most valuable player was Sylvia Maldonado and Janice Day received an award for most improved player.

Congratulations J.V.!

The 1982-83 Girl's Varsity Tennis Team had a rough season. Excluding the losses, the team was very willing and did not give up for the past few years. The girls had to compete against opponents from Serra, La Jolla, Mira Mesa and Patrick Henry. Despite hard work and overall effort, the girls only won one game this year. Ms. Blackstone put a very good team together. Not only did they learn to play tennis, they learned how to work together and compete as a team. This year's team captain was Debbie Baltazar and the most outstanding player was Thu Bui. Also, our returning letterman was Karen Neynaber. We all wish the 1983-84 team Good Luck!

Badminton

This year's Badminton Team 82-83 defeated every school in the city. They defeated Mira Mesa, Mission Bay, La Jolla, Patrick Henry, University City, Kearny, Morse, Point Loma, Serra, Clairemont, Madison, Lincoln, San Diego, and University. They made it to the C.I.F. finals and won 10-7 against Patrick Henry. The co-ed Badminton team was made up of outstanding, hardworking and proud players. Our two year players were Xong Chi, Chi Bang, Hi Lam, Ha Chau, Ngoc Tran, Linda Harr, Florida, Bungay, Hue Truong, Carol Squire, MiKong Kim, Sandra Burnett, Mike Savin, and Dino Stavros. Junior Cabinet

Junior Winning Float "1984 — The Only Way To Soar"

*President
Karen Neynaber*

Secretary — Michelle Chatelain

Treasurer — Rene Parada

Vice-President — Beverly Keller

The Junior Cabinet believed that its purpose was to promote the ideas, to encourage the rights, and to establish the unity of the Class of 1984 in order to strengthen it and to make high school a rewarding, successful, memorable experience, and a valuable preparation for the future. Through sponsoring diverse activities, we hope that we have accomplished our purpose. The Valley Rally revealed the outstanding talents of three juniors. Each performed her own original comedy routine. Melissa Porter was voted "Most Awesome Val". Junior Week was a special time in our lives at Hoover. These five days were the culmination of intense planning and hard work. The creative input of many people resulted in our aspirations steadily developing into reality. The Juniors won first place in the Homecoming Float Competition by striving together for a common goal and constructing our dream on a strong foundation of unity that we established by discovering that determination and commitment are essential to success. The Class of 1984 will continue following through on innovative ideas and taking pride in our achievements. "1984 is the only way to soar".

Scrooge

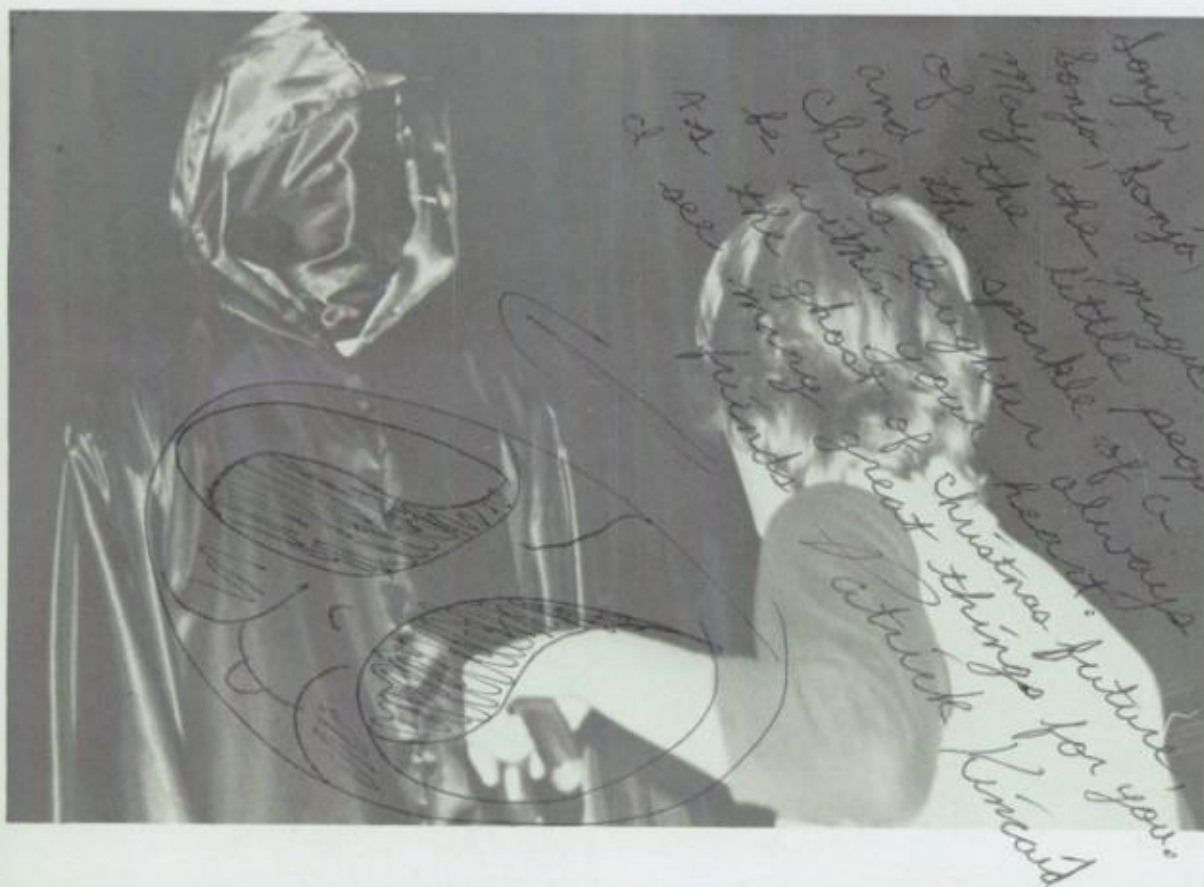

As we approach our freedom from the many years of mastering academic skills, looking forward is pretty different because all the enjoyable times that we associate with school become just like memories forgotten with time. Be the best, say the loudest, show the world that our class of '83 possesses some of the greatest people that I myself choose to

Dear Mellicker wishes

The 1982-83 Drama Department did a remarkable job on their performance of the Scrooge Play. The over-all performance was a total success and touched all those who attended this well known play. The Drama Team worked very hard on all the preparations such as long hours practicing, getting costumes, make up and scenery ready for the big day. The enthusiastic audience was very pleased and spent an evening filled with excitement and lots of holy spirit.

The Cardinal Co-eds, which happens to be one of the oldest clubs on the Hoover campus, was started in June, 1932. This year's club is run by Mr. Ira Jacobson, Advisor; Julia Powell, President; Donna Tarrant, Vice-President; Beatriz Venegas, Treasurer; & Rhonda Guaderrama — Secretary. The purpose of this club is to inspire thoughtfulness, loyalty, and honor, and to promote respect and a feeling of unity among students of Hoover High School. Another main goal is to encourage involvement in school activities and to further school spirit by recognizing outstanding seniors for their involvement in school. The Co-eds supported the school by putting up "Campus Beautiful" posters, and painting the school's fire hydrants and football scoreboard.

If you've ever gone by room 752 first period and wondered what all that noise was, you were actually witnessing the production of the '83 yearbook in progress. This year's staff consisted of 11 seniors and 5 juniors. Each member contributed new ideas and enthusiasm to help form this year's yearbook. There were dealines after deadlines, but each member worked hard in order to meet them. Mr. Curry, Advisor, kept things running smoothly and worked hard to keep the staff on their toes. If something went wrong with the yearbook production, he always came up with a solution. The photographers spent several hours taking and developing pictures when needed by the staff. On many occasions, they worked under extreme pressure to meet last minute demands of staff members just before deadlines. Besides, hardworking, the staff was very dedicated and creative. They made layouts, selected pictures, and wrote headlines, copy, and captions. Their time and efforts really paid off in June when the completed product was unveiled.
